

GRADE 1 NEWSLETTER

TERM 4

FOCUS AREAS:

Maths – This week students have been experimenting with formal units of measurement. They've had lots of hands on experiences measuring length, mass and capacity. You'll receive a Compass upload with evidence of each student's understanding. As this unit is now finished it would be great to continue discussing this using real life examples as they pop up.

Reading – During our multi-genre unit our kids have been enjoying both fiction and non-fiction texts. They have been identifying the appropriate strategy to discuss and organise their thinking.

Writing – Students successfully published their first piece of multi-genre writing this week. Their narratives show an enourmous amount of growth since the beginning of the year. We can't wait for you to read them!

EXCURSION

On the 10th of December we'll be going to the zoo! Any parents helpers who'd like to join us please let us know.

IMPORTANT DATES:

JS SPELLING BEE:

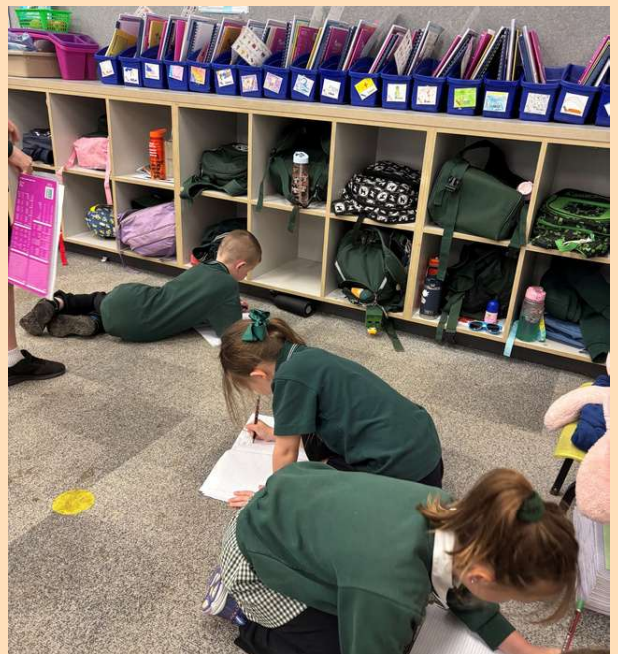

Thursday 29th October

DAY FOR DANIEL:

Friday 30th October

CUP DAY:

Tuesday 3rd November

WEEK 2

REMINDERS

In Term 4, students are required to wear hats. Please make sure these are school hats or broad brim designs to ensure kids are safe outside.
