

## **RESPONDING TO SUSPECTED CHILD ABUSE: TEMPLATE FOR VICTORIAN SCHOOLS**

#### WHEN TO USE THIS TEMPLATE?

School staff should use this template to document any incident, disclosure or suspicion that a child has been, or is at risk of being abused. This template should be used in conjunction with the following: Four Critical Actions For Schools: Responding to Incidents, Disclosures and Suspicions of Child Abuse.

Completing this template should not impact on reporting times. If a child is in immediate danger, school staff should report immediately to Victoria Police.

Whilst you may need to gather the information to make a report, remember it is not the role of school staff to investigate abuse, leave this to Victoria Police and/or DHHS Child Protection.

#### WHY RECORD THIS INFORMATION?

When completing this template your aim should be to provide as much information as possible. This information will be critical to any reports and may be sought at a later date if the matter is the subject of Court proceedings. These notes may also later assist you if you are required to provide evidence to support any decisions.

It is a requirement under Ministerial Order No. 870- Child Safe Standards- Managing the risk of child abuse in schools for schools to keep clear and comprehensive notes on all observations, disclosures and other details that led them to suspect the abuse.
