BASIC BELIEFS

Excursions are seen as an integral part of the school curriculum as they enable students to explore, extend and enrich their learning and their social skills development, in a non-school setting. Excursions complement, and are an important aspect of the educational programs offered at the school. An excursion is defined as any activity beyond the school grounds.

PLEASE NOTE LOCAL EXCURSIONS ARE DESIGNATED AS BEING WITHIN THE SHIRE OF THE YARRA RANGES

AIMS

- To reinforce, complement and extend the learning opportunities beyond the classroom
- To develop an understanding that learning is not limited to school, and that valuable and powerful learning takes place in the real world.
- To provide a safe, secure learning experience for students in a venue external to the school.
- To further develop social skills such as cooperation, tolerance, communication, individual and group interaction.
- To further develop problem solving and life survival skills.
- To extend understanding of their physical and cultural environment.

Implementation:

- Day excursions are defined for the purpose of this policy as any organised and supervised school activities that require children to venture beyond the school boundary.
- The principal is responsible for the approval of all non-adventure single-day excursions other than adventure activities which must be approved by the School Council.
- School Council is responsible for approval of all overnight excursions; camps; interstate and overseas visits; excursions requiring sea or air travel; excursions involving weekends or vacations; and adventure activities.
- A designated 'Teacher in Charge' will coordinate each day excursion.
- Prior to the commencement of any detailed planning relating to a proposed day excursion, the Teacher In Charge and other key members must meet formally with the Principal, to seek 'in principle' support for the event.
- If the principal's approval is granted, detailed planning should commence. This must include a site risk assessment and a risk assessment. (Excludes local excursions)
- When presenting information to the Principal, organising staff must be aware that the Principal will consider the following:-
 - • What is the purpose of the excursion and its connection to student learning?
 - • Do staff members attending have the competence to provide the necessary supervision of students throughout the excursion?
 - • Is an appropriately trained member of staff able to provide first aid?
 - • Have supervisory adults who are not registered teachers completed a Working with Children Check?

- •Is the location of staff and students throughout the excursion including during travel known?
 - •Is a record of telephone contacts for supervising excursion staff available?
 - •Is a record of the names and family contacts for all students and staff available?
 - •Are copies of the parental consent and confidential medical advice forms for those students on adventure excursion available?
- Adventure activities organising staff should consult the adventure activities website, or seek advice from peak bodies or skilled and experienced staff with recent experience instructing the activity to satisfy the principal's requirements.
- Once written approval has been granted, the online Notification of School Activity form needs to be submitted three weeks prior to the activity if required. (Required if country schools travelling beyond the local town/city, rural schools travelling beyond the local area, metropolitan schools travelling beyond the greater metropolitan area).
- The principal requires that a report be e-mailed after a day excursion, detailing feedback in the event of any accidents, mishaps or areas for future improvement.
- Information will be provided to all parents of non-English speaking families in a manner that allows them to provide an informed consent to their children attending excursions.
- Classroom teachers will be given the first option to attend excursions.
- The school will provide a mobile phone, and a first-aid kit for all day excursions.
- Copies of completed Permission forms, and signed "Confidential Medical Information" forms (adventure activities only) must be carried by excursion staff at all times.
- A senior staff member will be in attendance at school whilst the children are returning from any out-of-school-hours excursion. The Teacher in Charge will communicate with this person with regards to the anticipated return time.
- Parents of children involved in excursions may be invited to assist in the delivery of excursions. When deciding on which parents will attend, the Teacher in Charge will take into account –
 1. Any valuable skills the parents have to offer. eg. bus licence, first aid etc
 2. The need to include both male and female parents.
 3. The special needs of particular students.
 4. Satisfactory Working with Children Check
- Parents selected to assist with day excursions may be required to pay their excursion costs.
- The primary references that must be consulted when considering all day excursions is the Vic Govt Schools Reference Guide 4.4.2.2 – Student Safety & Risk Management.

GUIDELINES FOR ACTION

- In principle agreement MUST be sought before any formal planning is to take place.
- Staff wishing to organise excursion must submit a proposal to the principal (on attached forms).
- All excursions must be approved by the Principal by submitting appropriate documentation.
- The Principal or nominee(s) will ensure that all excursions, transport arrangements, emergency procedures and staffing comply with DEECD guidelines. Refer to: [DEECD](#)

Excursion Policy

- The 'Teacher In Charge' will complete the 'Notification of School Activity' at: www.eduweb.vic.gov.au/forms/school/sal/enteractivity.asp three weeks prior to the excursion departure date, and ensure relevant details are entered on the daily planner.
- School Council will be notified (and if required, give approval) of school excursions (Adventure Activities).

Prior to conducting a camp or excursion, the Department's requirements and guidelines relating to camps or excursions, MUST be rigorously observed.

Consideration in planning should include:

- Completing Woori Yallock Primary School's Risk Management Assessment.
- All students' medical information is up to date on CASES21 (Medical forms required for Adventure Activities).
- Informing parents of excursion details including date and cost, allowing reasonable time for returning payment and required documentation. WYPS provides student accident insurance – please see policy.
- Staff to student ratios (refer to Appendix I) to be adhered to at all times.

ACCESS TO EXCURSIONS

- All efforts will be made not to exclude students simply for financial reasons. Parents experiencing financial difficulty, who wish for their children to attend an excursion, are invited to discuss alternative arrangements with the Principal. Decisions relating to alternative payment arrangements will be made by the Principal in consultation with the appropriate staff, on an individual basis.
- Parents experiencing financial difficulty, who wish for their children to attend excursions, will be required to discuss their individual situation with the principal. Decisions relating to alternative payment arrangements will be made by the Principal on a case-by-case basis.
- Any family, who has outstanding unpaid payments from previous camps and/or excursions, may be unable to participate until the payment has been finalised or alternate arrangements have been made via the Principal.
- Only students that have displayed sensible, reliable behaviour at school will be permitted to participate in school excursions. Parents will be notified if their child is in danger of losing the privilege to participate due to poor behaviour at school. The decision to exclude a student will be made by the Principal, in consultation with the organizing teacher. Both the parent and the student will be informed of this decision prior to the excursion.
- Parents will be requested to collect their child from the excursion if their child exhibits behaviour that is considered unacceptable or a danger to others. The Principal in consultation with the 'Teacher In Charge', will make this decision. Costs incurred will be the responsibility of the parent.
- All students must have returned a signed permission note and payment, to be able to attend a school excursion.
- All excursion staff and students will be made familiar with specific procedures for dealing with emergencies.
- On days of extreme fire danger or total fire ban, the principal or their nominee may need to cancel an excursion at short notice. Where an excursion is not cancelled, special fire safety precautions will be implemented.

EXPECTATIONS

A designated Teacher In Charge will coordinate each excursion. The Teacher In Charge must keep ongoing student lists and inform the Office staff regularly.

Copies of the completed permission notes and medical information must be carried by excursion staff at all times.

The school will provide a first aid kit for each excursion, including prescribed medication (EpiPens & Asthma). Each classroom teacher is responsible for collecting EpiPens/ Asthma & medication, prior to leaving and returning.

The Department's requirements and guidelines relating to preparation and safety will be observed in the conduct of all excursions.

The principal or their nominee will ensure that full records are maintained regarding the camp/excursion.

The Assistant Principal or their nominee will ensure that adequate pre-excursion planning and preparation, including the preparation of students, takes place.

Satisfactory arrangements will be made to provide continuous instruction for the students remaining at the school during the absence of staff accompanying an excursion. Students not attending an excursion will be placed in another class and have an appropriate learning program provided by the class teacher.

The Department of Education and Early Childhood Development (DEECD) will not be involved in any expense associated with the conduct of excursions. The school may choose to subsidise some excursions or some students' expenses, this is at the Principal's discretion.

Students and their parents/carers need to be made aware that acceptable standards of behaviour will be expected during an excursion. Students and parents/carers will need to sign the 'student behaviour' acknowledgement on each excursion, permission notice.

The emergency management process of the school will extend to and incorporate all excursions.

The Teacher In Charge will communicate the anticipated return time with the school office in the case where excursions are returning out of school hours. Parents will be informed prior to students leaving for the excursion, that they can phone the office to receive an updated anticipated return time.

Appendix C - Guidelines for teachers planning a camp / excursion

1. Introduction

Excursions / Camps need to be planned well in advance and should relate to the curriculum being taught.

Students and their parents should be provided with information about the program's educational objectives, the nature of the activities, clothing requirements, the venue and costs well in advance.

Prior to single day excursions in which students leave the school grounds for the purpose of engaging in educational activities, the approval of the principal must be obtained.

School Council is responsible for the approval of:

- overnight excursions
- camps
- interstate and overseas visits
- excursions requiring sea or air travel
- excursions involving weekends or vacations
- adventure activities

Before approving an excursion, consideration by the principal and/or School Council needs to include:

- the contribution of the activity to the School curriculum
- the adequacy of planning, preparation and organisation
- the provisions of the safety and welfare of students and staff
- the experience and competence of staff relative to the activities being undertaken
- the adequacy of student supervision
- the cost

A parent must provide written consent for their child to take part in an excursion. Parents asked to sign consent forms must be given sufficient information about the nature of the proposed activity, the risks involved and the degree of supervision.

Parental consent is required for the following reasons:

- to authorise the school to have the student in its care after normal school hours
- to authorise the school to take the student out of the school environment
- to alert the school to any medical condition or allergies of the student
- to authorise the school to consent to emergency treatment for the student
- for the parent to consent to any financial cost of the excursion

- for the parent to consent to the student being sent home in the event of any serious misbehaviour

Consent forms are to be taken on the excursion / camp by the teacher in charge, and the designated school contact person should hold a list of participants, a copy of the consent forms and contacts in case of emergency.

In addition to any teachers employed by the DEECD or the School Council, excursion staff may include other adults on a volunteer or paid worker basis, such as parents, school services officers, community members, campsite staff and trainee teachers. All MUST have an up to date Working with Children card to attend.

School uniforms **must** be worn on all school excursions except whenever specialised clothing is a requirement, e.g. snow trip.

Only students who display sensible and reliable behaviour at school will be taken on camps and excursions outside the school.

Sensible and reliable behaviour at camps and excursions will be expected at all times. ***Students can be sent home BY THE PRINCIPAL if their behaviour warrants a severe consequence.***

2. Planning

Forward planning takes into consideration whole school demands and must ensure that the normal school program is not consistently disrupted.

Planning should include:

- a clear aim
- costing – transport, admission, etc (the costing must be realistic in terms of the nature of the experience and the resultant learning outcomes)
- the opportunity for payment in advance, by instalments or lump sum payment may be offered to parents
- staffing needs
- pre-visit if venue is new/unknown
- consideration of children whose parents may not be able to meet costs
- excursion book maintained for evaluation of the camp/excursion for future planning
- excursion approval forms to be completed and handed in one week prior to the activity
- arrangements for covering camp staff classes while they are away from school

3. Preparation

Preparation for any activity should include:

- quotes for transport
- booking of transport
- confirmation time for departure and return
- informing specialist teachers, parent helpers, area coordinator
- informing parents attending activity on discipline procedures
- preliminary classroom activities
- collection of monies

- arrangement for school cheque
- medical information, precautions and First Aid kit

Appendix D - Notification of School Activity (excursions / camps)

School Councils are responsible for ensuring that the activities listed below are thoroughly planned, checked and documented in accordance with Department of Education & Training guidelines for the planning and conduct of camps, excursions and outdoor adventure activities.

If comprehensive information is required during an emergency, schools will be expected to provide it at any time of the day or week from the documentation prepared for the activity which is held by the school.

Relevant details about School Council approved camps and excursions must be entered into the DEECD database using the online notification form available at:

www.eduweb.vic.gov.au/forms/schools/sal/enteractivity.asp

This notification should be provided three weeks prior to commencing the activity.

- overnight, weekend, interstate, overseas activities
- adventure activities
- non-adventure activities which, by their nature, location or timing, may be hazardous
- School closures, pupil free days, combined sports or cluster days

Notes:

1. An additional sheet listing the actual dates and locations of activities should accompany this form when the same activity is to be repeated on different occasions.
2. The coordinating school should complete the form for activities involving a group of schools.
3. Day excursions should be reported if activities are to be conducted by:
 - country schools - beyond the local town/city
 - rural schools - beyond the local area
 - metropolitan schools - beyond the greater metropolitan area

Critical incident management (emergency procedures) – contact the school for assistance.

If a student is lost – ensure all other students and staff are safe. Follow School Plan *What to do if a student is lost on an Excursion or Camp*. Every teacher should have a copy of this in the excursion DISPlan.

If someone is injured – ensure all other students and staff are safe. Administer first aid or call for an ambulance if more assistance is needed. Contact the school. Complete forms upon return to school.

Appendix F - EXPLANATORY NOTES

Dates

Consider how the time of year may impact on the wider school program or the effect of seasonal weather conditions.

Educational purpose and program outline

Whatever you hope the students will learn from the program is its educational purpose. The program overview should give school council a basic understanding of how the program aims to achieve the educational purpose.

For example: A three-day residential camp including bushwalking and orienteering to encourage an understanding of the natural environment; develop team working ability; and, introduce map reading and navigational skills in an experiential way.

The supervision strategy should include the nature and level of supervision provided throughout the excursion or activity. You must consider all programmed and non-programmed periods.

Each different location must be detailed, including the dates at each location. This will have an impact on transport requirements and the emergency response needs of the program.

Contact land managers to determine if permit or access requirements apply for activities that are conducted on public land or in state/national parks.

Joint excursions with other schools must be approved by each school council. Each school must submit an online notification to the Emergency Management and Security Branch.

Overnight accommodation

This includes all forms of overnight accommodation.

Residential camping is at sites with permanent facilities like dormitories, kitchen, showers, toilets, phones and recreation options.

Residential campsites operated or used by Victorian government schools must be accredited with a Department of Education and Early Childhood Development recognised accreditation provider. Refer to the School Policy and Advisory Guide, [Venue Selection](#) for current accreditation providers.

When using venues that do not require accreditation such as caravan parks, motels/hotels or ski lodges, schools may wish to refer to the accreditation criteria of a recognised accreditation provider when developing their risk management plan.

Provide details of all accommodation being used with your submission to school council.

Transport

Internal transport is provided by school-owned or private, staff-owned vehicles. External transport is transport provided by contractors, parents or other external providers.

The parent consent form should include a statement advising parents if a private vehicle is used as part of the emergency management plan for a camp or excursion.

If a teacher or staff member will be driving students, the program should allow them adequate rest time prior to driving, consistent with the advice on the [transport](#) page of the Safety Guidelines.

Give careful consideration to securing equipment during transportation, including equipment on trailers, roof racks and inside vehicles.

Supervising staff

A [Working with Children Check](#) is required for staff members who will supervise students and who are not registered teachers. This does not apply to parent volunteers whose child is participating in the activity/excursion.

APPENDIX G - EMERGENCY RESPONSE PLAN PROFORMA

Copies of this document should be provided to all staff and to the school's designated emergency contact person. The information supports the initial response to an incident and should form part of a more detailed emergency management plan.
